SELECT YOUR TRACK:

YOU NEED TO KNOW

- As a Music Education major you have two advisors. Your main advisor is your music advisor - they guide you in planning your music courses and clear your advising hold if you have one. Your second advisor is in the COEHS Advising Center and guides you in planning for education requirements.
- This major has special admission requirements. Everybody starts as a pre-major, and certain requirements must be met in order to be admitted. Consult the undergraduate catalog for more details.
- 'C' is the minimum acceptable grade for all courses in this major except CMST 101 and ENG 102 or their equivalents, which have a minimum acceptable grade of 'B', and PSY 100, which has no minimum passing grade.
- Some courses in this major may also be used toward Foundation of Knowledge (general education) requirements.
- The Admission Semester, Professional Semester I, and Professional Semester II are "blocks". The classes in these groups must be taken together in the same semester. You may take other classes with these blocks if appropriate.
- All required courses must be completed with minimum grades and GPAs met before entering the Clinical Experience, and no other classes may be taken with it.
- Elective credit hours be necessary in order to earn the minimum of 120 credit hours required for graduation.
- Details on this checklist are subject to change including course rotation and availability, pre-requisites, and/or course credit hours. Maintain contact with your assigned advisor to make sure you remain informed of any such changes.
