Be sure to keep track of the number of upper-division credits earned throughout your course of study.

Application Process

Intermedia is for the student whose work **combines** two or more media. To pass into this track, a student must show evidence of this approach during the Portfolio Review. To apply, submit a letter to the professors/area coordinators in the disciplines to be integrated a minimum of 2 weeks before Portfolio Review explaining the rationale for why the Intermedia emphasis is the appropriate track for study.

If the student is accepted, an Intermedia Track Committee will be created composed of two or three appropriate faculty members chosen by the student and the Portfolio Review Committee by the end of the semester of the student's Portfolio Review. This committee, in consultation with the student, will develop a course of study appropriate to the development of the student's work. This must be approved by Department of Visual Arts chair.
