GRIDS

Real-time messaging.

Honk is the all-new way to chat with your friends in real time, with messages shown live as you type.

Stop Waiting Around for Messages

hey|

Live Typing

Goodbye sending. Hello typing. Messages appear live as you type.

No Send Button

Never hit send again. Just type a message and clear it to say something new.

No Chat History

Only two live messages, instead of thousands that build up over time.
