Strongest Influence Award - Northern Kentucky University Alumni Association

Graduation Honors - George Williams College
 - University of Vienna
 - University of Cincinnati

PERSONAL

Family - Wife and three children
Home - Trenton, Maine
Age - 68 years

EDUCATION

George Williams College, Undergraduate 1961 - 1965	Psychology and Philosophy (major professors -- Alex Shukin and Arthur Steinhaus)
University of Vienna, Fellowship Year 1963-1964	Psychology and Philosophy (major professors--Viktor Frankl and Edward Mowatt)
University of Cincinnati, Graduate 1965-1970	Industrial Psychology (major professors--Lucien Cohen and William Stewart)

Dissertation Topic: Determinants of Success for Million Dollar Roundtable Members
in the Insurance Industry

TEACHING EXPERIENCE

Courses taught at the undergraduate or graduate level:

- A. Principles of Economics I
- B. Principles of Economics II
- C. Management and Organization
- D. Behavior Theory and Business Practice
- E. Supervisory Development
- F. Human Relations
- G. Small Business Management
- H. Introduction to Psychology
- I. Organizational Psychology
- J. Applied Organizational Psychology
- K. Special Topics in Organizational Behavior
- L. T-Group Theory and Laboratory Practice
- M. Workforce Values
- N. Personal Adjustment
- O. The Human Side of Work
- P. Humanistic Psychology
- Q. Organizational Consulting

Description of Current Courses

PSY 100 Introduction to Psychology

Psychology as the study of behavior; history, methods, learning, human development, intelligence, personality, therapy; abnormal and social psychology.

PSY 200 Psychology of Personal Adjustment

Personal growth and development; coping with change, values clarification, moral development; interpersonal relations, social problems, and career choices.

PSY 302 The Human Side of Work

Psychology of work behavior; interpersonal relations and organizational effectiveness; communication, morale, stress, leadership styles, values, ethics, problem solving techniques, and cross-cultural aspects of the work experience. The approach to learning is experiential and may include some field assignments.

PSY 350 Training Group Theory and Laboratory Method

Small groups and development of interpersonal effectiveness; individual and group roles; resolution of conflicts; interpersonal trust; personal growth; helping relationships.

PSY 370 Humanistic Psychology

Humanistic Psychology in historical context: Greek, Renaissance, and modern developments; comparison with psychoanalysis and behaviorism; major theories of Allport, Fromm, Maslow, Jung, Rogers, Frankl, and Perls; central themes -- experience, identity, meaning, freedom, responsibility, and human potential for growth.

PSY 694 Organizational Consulting

A comprehensive overview of organizational consulting, including history, specializations and contexts. Fundamental principles, effective practices, and emerging issues are studied. The "mindset" of the contemporary consultant is the focus of the course with special attention to education, skills and professional integrity. The course includes panel presentations and insights from practitioners, gate keepers and buyers of consulting services.
