LGBTQIA+ History Month was founded in 1994 by Missouri high-school history teacher Rodney Wilson. LGBT History Month provides role models, builds community, and represents a civil rights statement about the contributions of the LGBTQIA+ community. In the United States, it is celebrated in October to coincide with National Coming Out Day on October 11th and to commemorate the first and second marches on Washington in 1979 and 1987 for LGBTQIA+ rights.
