# NKU STUDENTS, FACULTY AND STAFF,

## We are excited to share the planned Student Affairs events for spring 2025!

This past fall, we saw increased student engagement at NKU in our student organizations and services. We love seeing you on campus and online, not just in classrooms, but also in clubs, organizations, athletic events, support offices and more than a hundred special events offered through Student Affairs and student support organizations.

This Student Affairs calendar provides a comprehensive view of programs, important enrollment deadlines, activities, workshops and events sponsored by our departments and offices. You'll find descriptions of signature events, photos of guest speakers and you might even spot yourself! Use both the printed and online calendar versions to guide your participation, whether on or off campus. Try something new this semester, and bring a friend! If you have an idea for an event or club that isn't listed, we can help. Visit us on the third floor of the Student Union or email us at [studentengagement@nku.edu](mailto:studentengagement@nku.edu) or [csi@nku.edu](mailto:csi@nku.edu).

The mission of Student Affairs is to provide programs and services that enhance students' sense of belonging, well-being and success. We strive to become a destination for students to feel connected, respected, accepted and supported both socially and academically on campus so they can achieve their full potential. We encourage you to take advantage of ALL that NKU has to offer and we will be here to help you on your path to success.

## Welcome to another semester at NKU, and Go Norse!

**Jason Vest, Associate Provost for Academic and Student Affairs**  
**Sarah Aikman, Assistant Vice President for Student Engagement and Inclusiveness**  
**Bob Alston, Assistant Vice President for Student Conduct and Wellness and Dean of Students**
