HEALTHCARE STAFFING IS BOOMING

The healthcare staffing industry is growing at a faster rate than any other U.S. staffing sector.

Healthcare is currently on track to make up 20% of the U.S. economy by 2025.

#13

Health Carousel is #13 in the Largest U.S. Healthcare Staffing Companies

FREQUENTLY ASKED QUESTIONS

Culture

Our culture is as important as our work. Health Carousel is like a family. Outside events such as happy hours, sporting events, and team bonding activities are ingrained in our culture and make us who we are as a company.

Give Back

We are caregivers for caregivers. Healthcare staffing is a growing industry with diverse opportunities where you work will make a difference. Receive 2 additional volunteer days for any mission, charity, or organization of your choice.

Growth Opportunities

Growth opportunities are based on your own performance and effort. We value our employees and want to make sure that you have room to grow and are the best version of yourself.

Benefits

Cost effective health insurance, 17+ PTO days, 9 paid holidays, 401(k) retirement plan with company match, company laptop, company cell phone plans, and corporate employee discount programs.

Perks

Business casual dress code, sports tickets, happy hours, company outings, volunteer events, intramural sports, race registration, wellness rooms, walking desks, retailer and gym discounts.
