

Elementary Education Majors
BIO 294, Special Topics, 1 cr. --- Biology Laboratory

- Available ONLY to Elementary Education Majors who transferred in a BIO 120 equivalent course without a laboratory component.

Please read the following conditions and sign the statement that follows if you agree to fulfill the terms of this agreement:

1. The Office of Admissions must have evaluated the transfer course as the equivalent of NKU's BIO 120.
2. This form must be filled out with the academic advisor of the student in the College of Education and Human Services.
3. This form must be signed by Dr. Greg Dahlem in the Biology Dept. (SC 248, Dahlem@nku.edu, 859.572.6638) Dr. Dahlem must approve the student's enrollment in BIO 294, Special Topics, for 1 credit.
4. Dr. Dahlem will sign a Biological Sciences – Class Permission form which can be taken to SC 204 for special permit entry to enroll in the class. Dr. Dahlem will advise the student of the section of BIO 120L they will attend.
5. The Biology Department should keep a completed copy of this form and the student should return a copy to the College of Education and Human Services.
6. Once enrolled in the laboratory, the student must attend the course with no more than two (2) absences for the semester, fully participate in class, and take all required tests.
7. The lab instructor will provide documentation of the students' performance in the lab at the end of the semester and assign a grade for BIO 294 (1 cr.).

I, _____, understand the above terms and conditions of BIO 294, Special Topics Biology Lab – and agree to abide by them.
