

Participating high school students will be responsible for the cost of course materials (textbooks, digital content, eResources, etc.) unless otherwise covered by the school district. This information is shared with students prior to the start of each semester and may be accessible through NKU's Bookstore website.

Unsuccessful Students

Per KRS 164.786, the DCS will only reimburse 50% of the cost of tuition for students who do not successfully complete any course in which students were to receive the DCS. Although the university incurs costs associated with teaching the course regardless of student performance, the remaining 50% will be absorbed by the university.
