## ■ MAT194: Undergrad Experiences Evaluation Form

## Your Name:

## **Presenter Name(s):**

a. How have social activities been incorporated into our speaker's undergraduate education?

b. What preparations are the speaker(s) making (or have they made) for their career? Internships? Job Fairs? Etc.

c. Take a moment to imagine that you are asked to do the research described (or something like it, with perhaps a different focus – maybe you've already done some research). What do you think: Impossible? Fun?

d. What would be your major concerns about undergraduate research (share yours if you've done some)? What would it take to get a faculty member to convince you to do research?

e. What kinds of presentations have figured in our speaker's careers? How have they affected the speaker and their prospects in the job hunt?

f. Are there any other activities that our speaker(s) mention that appeal to you? How can you get involved in similar things?
