

COVERING CLIMATE

- ▶ What are the major stories breaking about climate change? Get a firsthand account from one of the nation's top journalists covering this important topic.
- ▶ Six@Six is a free community lecture series hosted by NKU's Scripps Howard Center for Civic Engagement.

MEET OUR SPEAKER

Long-time journalist Peter Pregelman is the Climate and Environmental news director for the Associated Press.

RSVP (attend in-person or hybrid): six@six.nku.edu or nkyform.org

6p-7:30p | March 22, 2023 | NKU Griffin Hall / Digitorium

- **PARKING:** Free in NKU's Kenton Garage. Request a voucher when you come to Griffin Hall, which is right across the street on Kenton Drive.
- **Cost:** This event is free and open to the public.
- **Our partners:** The Northern Kentucky Forum is a collaboration of NKU's Scripps Howard Center for Civic Engagement with the public library districts of Boone, Campbell and Kenton counties. The Associated Press is an international news cooperative, committed to nonpartisan coverage of public affairs and events.
